Eastern Studies X; Philosophy X; Political Science; Psychology X; SBS Administration  
X; SBSRI; SIRLS; SIROW X; Sociology; SW Studies; Women's Studies

NOTE: Special thanks to new staff representative from NES, Jennifer Columbus, MFA,  
for typing notes! Thank you, Jennifer!

- I. Diabetes Walk: raised \$980.00 through bake sales and sponsors.
- II. Ginny Healy: donation funds—where did they go? Kimberly will speak about this at the next Business Manager's group.
- III. Flu Shots: Late October, 2 hours in Cesar Chavez Bldg. (old ECON bldg.); need at least 20 people. \$10--UA employees \$15--UA students

Not sure if general public can receive shots; Kimberly will check that out.

F.Y.I.: COSTCO will offer \$15 flu shots the last week in October.

- IV. Staff surveys: What's their intent?  
Beth explains that they're ranked 1, 2, 3 and also include an "other" category—the results are on the WEB (from the SAC mtg.).  
  
Do we need to edit this survey? Suggestion is to take the last list and subtract or add something for November meeting.
- V. Cell phones seem to be cheaper for the Communications Dept., and this fact will be brought up at next Business Manager's mtg.
- VI. Newsletter? Stories might include one on the Diabetes fundraiser, and something from local awards, and who's eligible, along with a letter from the Co-Chair.
- VII. Staff Workshop on "How to get ahead at the UA" was great regarding how to go about receiving promotions, as well as how to make things better in your workplace. This workshop came about through UA diversity surveys.

Notes taken by: Jennifer Columbus, Adm. Associate, NES, Jennife2@email.arizona.edu
