1. **Faith-Nasal** (faithfulness)
   This constraint requires identity for the following strings.
   - m
   - n
   - η

2. **Nasal-Vowel** (markedness)
   This constraint rules out the following strings:
   - am
   - an
   - aŋ
   - im
   - in
   - iŋ
   - um
   - un
   - uŋ

3. **Faith** (faithfulness)
   This constraint requires identity for the following strings.
   - *
