	Policy:	
	<h3>Checklists for Faculty with Shared Appointments</h3>	
	Revision:	Effective:
	13 December 1995	13 December 1995

Policy

Each unit employing a faculty member with a shared appointment (i.e., a budget line in more than one unit) must complete a checklist regarding the rights and responsibilities of the faculty member and the units. A copy of a sample checklist is attached, along with the Faculty Senate Policy on Shared Appointments, which supercedes the previous policy adopted by SBS. Since each case has its idiosyncracies, units are invited to discuss the particulars of a shared appointments checklist with the Dean while it is under development. The final form must be approved and signed by the Dean, as well as the faculty member and the administrative heads of the cognizant units.
